Embers for Access Foundation
Charity #781588363RR001

ABOUT THE CHARITY

The Embers for Access Foundation is a registered Canadian charity based in Durham Region, Ontario. We fund therapy, respite, and programming for children with autism, with a focus on BIPOC families, single mothers, newcomers, and low-income households- communities too often left behind by a system that cannot move fast enough for their children.

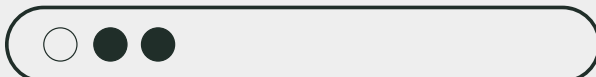

Founded in February 2025, the Embers for Access Foundation launched the RISE Program - Respite, Inclusion, Skills & Education, in partnership with Mount Etna Child & Family Services and inaugural education partner Zalik Academy. In our first 6 months, year we soft-launched 10 family subsidies, hosted Sensory Pancakes with Santa drawing 300+ community members, activated TFC and upcoming Toronto Tempo WNBA Flag Buddy events, and are now building toward Cars, Cookout & Cast - our flagship July 2026 fundraiser at the Porsche Experience Centre in Pickering.

ABOUT THE EVENT

On July 25, 2026, the Embers for Access Foundation brings together 250+ guests, celebrity appearances from Sean Dominic and Bryton James of The Young & the Restless, live Porsche demo laps, a plated dinner, unlimited simulators and an unforgettable evening with esteemed colleagues at the Porsche Experience Centre in Pickering - all in support of children with autism from underserved communities across the GTA.

Cars, Cookout & Cast is not just built for anyone - but for car enthusiasts, soap fans, philanthropists, real change makers and anyone ready for a once-in-a-lifetime evening unlike anything else in the GTA. Whether you're bringing your family, your team, or your community, this night was designed with you in mind. For corporations looking to invest in a cause and create meaningful community impact, there is no better room to do it in.

Every seat at this event is a seat at the table for something that genuinely matters. Come for the cars (or the cast). Stay for the community.

THE NEED

The Embers for Access Foundation exists because the funding support for autistic children is not keeping up with families who need it most. With over 60,000 children still waiting, some for up to six years missing critical early intervention periods, and private therapy costs reaching \$30,000-\$65,000 per year, access to care has become a privilege reserved for the few. We are here to change that.

Through the RISE Program - Respite, Inclusion, Skills & Education - we fund subsidized therapy, respite, peer inclusion, caregiver coaching, and academic pathways for children and youth with autism, with a deliberate focus on BIPOC families, single mothers, newcomers, and low-income households. These are the communities most underrepresented in clinical spaces and most underserved by existing systems.

But our vision goes further. We believe that representation within the neurodivergent care space matters as much as access to it. Through our clinical partnerships and teaching structures, we actively support emerging clinicians and educators from marginalized communities - creating pathways into the profession that reflect the families we serve.

BENEFITS

Sponsoring Embers for Access is more than giving - it's visibility with purpose. Your brand reaches 250+ engaged guests, 10,000+ families across our community platforms, and a year-round audience through the Embers Space on Dysko.AI. You receive logo placement, event activation, social media recognition, and a charitable tax receipt - alongside genuine alignment with a cause that reflects the communities you serve.

- Enhance Brand Visibility
- Networking and Marketing, Online and In-Vivo
- Positive Brand Association
- Charitable Tax Receipts

WHY SPONSOR US?

When you sponsor Embers for Access, your brand becomes part of something that genuinely matters. Over 60,000 children in Ontario are still waiting for autism services. We are closing that gap - one family at a time. Your investment funds real therapy, real respite, and real outcomes for children who can't afford to wait any longer. That is a story worth telling.

The RISE Program (Respite, Inclusion, Skills & Education) is how we deliver change on the ground. Through our grassroots, community and education partners, we fund 1:1 ABA therapy, peer inclusion groups, caregiver coaching, school-readiness programming, and academic pathways for underfunded children and youth ages 2-17. We support the whole family, not just the child. For sponsors, this means your investment touches lives at every stage: the child in therapy, the parent finding their footing, and the young person building toward a future.

SUPPORT REAL FAMILIES

DYSKO.AI

Dysko.AI Spaces is a next-generation digital community platform co-created by two of daytime television's most iconic stars — **Daniel Goddard** (Cane Ashby, The Young & the Restless) and **Bryton James** (Devon Winters, The Young & the Restless). Together, they have built a platform where purpose-driven communities, sponsors, and fans converge — and where advertising isn't an interruption, it's a conversation happening live inside the community that matters to you.

For Sponsors

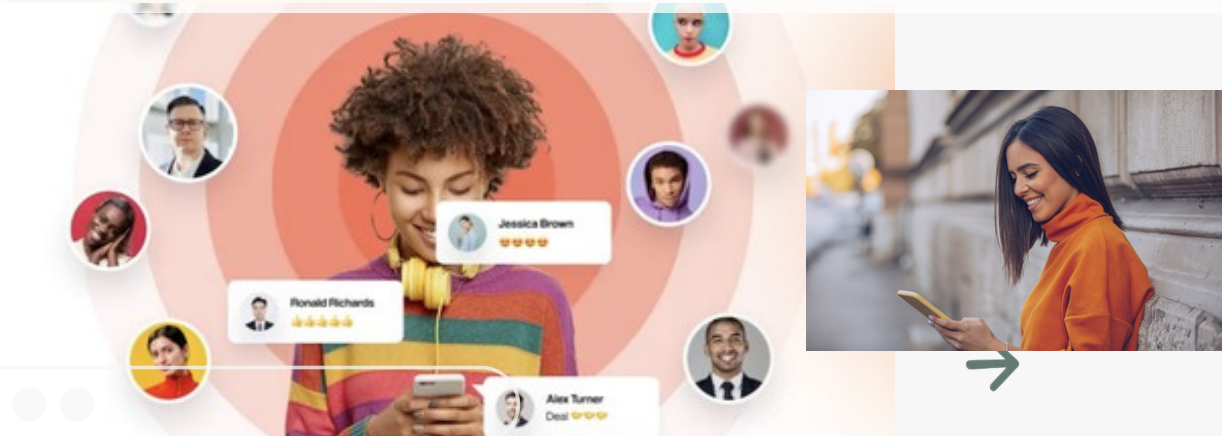

When you sponsor the Embers for Access Foundation, your brand enters the **Embers Space on Dysko.AI** — a live digital hub where you can sell to and engage with our community in real time, year-round.

- ◆ Run live digital billboards and video ads visible across our entire community
- ◆ Advertise directly to event attendees and Embers community members throughout the year
- ◆ Sell your products and services live within the Embers Space — reaching an engaged, values-aligned audience in real time
- ◆ Build long-term brand equity inside a growing community of families, advocates, and clinicians across the GTA
- ◆ Co-branded visibility tied to Daniel Goddard and Bryton James and their North American fan networks
- ◆ Access that extends across every EAF event, program, and partner activation in 2026 and beyond

For Attendees

Your ticket to any Embers event in 2026 includes access to the **Embers Space on Dysko.AI** — a live digital experience that travels with you before, during, and after every event.

- ◆ Watch the Cars, Cookout & Cast event live — down on the Porsche track, across all activations, in real time
- ◆ Access live streams and highlights from every EAF event across the year
- ◆ Stay connected to the Embers community, even when you're not physically present
- ◆ Discover and support local businesses and sponsors who share our values — shopping and connecting within the Space
- ◆ Become part of a permanent, growing community of families, supporters, and advocates committed to inclusion and access
- ◆ Long-term membership in the Embers Community Space — your connection to this mission doesn't end when the event does

- Floral arrangements or decorative centrepieces
- Photography or videography services (full or partial evening coverage)
- Sound system, DJ, or live entertainment for the general admission area
- Printed materials — menus, programmes, signage, step-and-repeat backdrop

VIP & Auction Items

- Luxury or experience-based auction items: hotel stays, spa packages, sports tickets, travel vouchers
- Signed memorabilia from cast members or sports personalities
- Restaurant gift certificates, wine or spirits packages
- Automotive or lifestyle brand experiences (e.g. test drives, detailing packages, accessories)
- Wellness, fitness, or family experience packages
- Tech items — tablets, headphones, smart home devices

Gifts & Guest Favours

- Branded or artisan guest favour bags for all ~250 attendees
- Children's gifts or sensory kits for families joining the morning family event
- Gift card bundles for general admission door prizes

Professional & Administrative Support

- Event management or logistics support (partial or full)
- Graphic design or marketing support for promotional materials
- Legal, accounting, or regulatory support related to event operations
- Transportation or shuttle service for VIP guests
